WHERE INCLUSION MEETS STORY AND IMPACT

A FILM RESOURCE FOR WORKPLACE LEARNING, EDUCATION AND COMMUNITY CHANGE

DEMONSTRATE INCLUSION

The catalogue is a powerful resource with over 60% of the films showcasing disability and intersectionality on screen. These films shift perspectives and bolster inclusion within your organisation, teams and learning environments.

SPARK THE CONVERSATION AND CHANGE THE NARRATIVE

Bring your onboarding, curriculum, professional development or facilitated discussions and community screenings, up to date with these inclusively produced films. We have curated collections that can be matched to key dates of recognition including Autism Awareness Week, International Women's Day, International Day of People with Disability and so much more.

Spark and invite real conversations about disability, inclusion and access from the voices within the community, an authentic experience that changes hearts and minds.

DO GOOD AND LEAVE AN IMPACT
